Move In Time Slots

We are an urban campus, there's not enough space for everyone to move in at the same time! To help with that:

- Students will select a time to move in between Thursday, August 8th
Student's must sign up for a move-in time!
- Timeslot selection instructions will be including in the Housing Updates and Times Slots email to be supplied on Tuesday, August 6th.

Early Arrival - Sponsored Programs

A few DU-sponsored programs have requested Early Arrival for their student populations.

So far, the following programs intend to have students move to campus during our Early Arrival Period:

- FLYTE/LEP
- PLP
- E-STEM
- Athletics
- FIRST@DU / SIB
- 4D Peer Mentors

All communication regarding Sponsored Early Arrival Programs will come from the Program Sponsor.

Things to consider **BEFORE** you're on Campus:

1. Upload a photo for your DU ID Card in MyDU Portal
2. Use your Housing Portal to find out about room assignments and your roommate
3. Reach out to your new roommate(s) and get to know them
 1. Plan with your roommate(s) what you will bring to campus
4. Learn more about where you'll live, including furniture, amenities, approximate room dimensions
5. Read the Guide to Residence Living

Can we ship items to campus before we arrive?

Unfortunately, no.

Due to limited resources for our front desks, we will be unable to accept any mail or packages prior to Tuesday, September 3, 2024

What can we do instead?

- Buy when you arrive! NSFP will post local stores around Denver
- Ship after you move-in! Start with the basics and go from there

Second Year Parent Tip!

"You don't need as much as you think you do. Think about moving out all the items as much as you think about moving in. You can always send stuff later, if your student needs it."

- Residential students are allowed to bring their cars and park on campus
