Discoveries Summer Experience is on Canvas:

What's in the Canvas course?

- Transition resources and support for students before arrival
- Summer action items, deadlines, and next steps
- Required trainings for all incoming students
- Early experience using Canvas, DU's learning platform

Why it matters?

- Helps students arrive prepared and informed
- Supports a safe and healthy DU community
- Includes important health, safety, and harm reduction training
- 4D Peer Mentors follow up with students who have incomplete modules

When do these modules need to be completed?

All modules must be completed **by September 1**

- One module is recommended each month
- Modules release in May, June, July, and August
- Content aligns with important summer action items and deadlines.

Where is my student learning webinar information?
Great question, this Canvas Course!

Winter quarter registration hold – will be placed in October and lifted 24 hours after completing required modules

First-Year Group Academic Advising Sessions

Our entire advising team is here to support you through the process. You are not alone! We have a short window of time to assist many new students, so we've set up virtual Zoom group advising sessions. These interactive sessions allow you to engage live with Academic Advisors and other first-year students, providing opportunities to create your first-quarter schedule with expert guidance.

If you need further assistance after the group session, you can schedule an individual meeting for more detailed help.

A Coach Approach to Advising

Academic Advising as a Relationship

“Academic advising is the only structured activity on the campus in which all students have the opportunity for on-going, one-to-one interaction with a concerned representative of the institution.”

Common Errors

Common Errors

- **Closed Course Error**

- Once registration begins and classes begin to reach capacity, students should look for other options. We recommend having 3-5 course plans. Be flexible!
- STEM or Pre-Health majors that are required to take a specific course listed on their course plan that is closed reach out to advising@du.edu immediately.

[LINK TO REGISTRATION VIDEO LIBRARY](#)

Common Errors

- **Repeat Course**
 - If a student wants to retake a course for which they have received credit, have them email the Registrar's Office for an override:
 - registrar@du.edu or 303-871-4095
- **Waitlist** (*unavailable until Tuesday, July 28th*)
 - Waitlisted is **NOT** registered
 - Don't rely on waitlisted courses, get a full schedule of registered classes

Common Errors

Co-requisite Error (*Linked Section*)

- Student registered for a course but failed to register for its accompanying lab or lecture. This error happens predominantly with science courses.
- With linked lectures and labs, both Course Registration Numbers (CRNs) must be selected and submitted in the same registration transaction.
